

Gambit Awarded Debt Advisory Firm of the Year

Gambit Corporate Finance is pleased to announce it has been named 'Debt Advisory Firm of the Year' by Worldwide Advisor Awards Magazine

This award is Gambit's third debt advisory award in recent months, after being named 'Debt Adviser of the Year' at the Finance Monthly M&A Awards in September 2020 and the ACQ5 Global awards in November 2020.

The firm has acted as lead financial adviser on a variety of fundraising and refinancing transactions, in addition to securing Coronavirus Business Interruption Loan Scheme (CBILS/CLBILS) facilities for multiple businesses during the Covid-19 pandemic.

Gambit's dedicated debt advisory function enables businesses to achieve the optimal funding structure and partner with the most appropriate finance provider to meet their strategic ambitions.

The Gambit team has extensive experience in refinancing and fundraising transactions from a range of institutional sources including mainstream banks, private debt funds, asset finance, invoice discounting and mezzanine finance providers. The firm has raised funds ranging from £1 million to over £100 million.

Debt Market Landscape:

SMEs and mid-market companies have benefitted from an increasing range of funder types in recent years, each with varying degrees of lender appetite and 'sweet-spots'.

The alternative lending market has further established its status as a critical component of the debt spectrum, with many providers servicing more complex credits and gaining accreditation to offer government-backed borrowing facilities alongside mainstream lenders.

Interest rates show no sign of rising and are set to be 'lower for longer', allowing businesses to fully test the debt markets and obtain financing solutions at near all-time low funding costs to support strategic activity.
